That Is View, Lloyd George
Tells Envoys.**REPLY EARLY TOMORROW**Fortuna Have Complete Lack of Com-
prehension of Their Position and
That of Allies, Declares British
Premier to German Minister

By Associated Press

LONDON, March 1.—Germany, through her delegates to the conference with the Allies here today made reparations offer of 30 billion gold marks or about \$2,000,000,000.

It was understood outside the conference that after Dr. Brüning, German foreign minister, had finished his six-point plan for reparations to the conference, Mr. Lloyd George, British prime minister, replied in substance that unless the Germans had something more to offer than what appeared in the statement there was no need of continuing the conference.

Mr. Lloyd George told the German foreign minister, "If the written proposals are of the same general character as explanation of them it is not worth while for us to read them. You have complete lack of comprehension of the position of the Allies and of your own position. We will discuss among ourselves our reply and give it to you tomorrow at 11 o'clock."

When the Germans left the conference they appeared to be greatly depressed. Premier Lloyd George and his cabinet were smiling as they came from the conference chambers.

The British prime minister opened the conference by saying the Allied representatives had assembled to receive the German reply to the decision of the Paris conference. The German foreign minister was then given the floor. Dr. Brüning said the German had prepared two written proposals, one carefully and after profound study of Germany's resources and capabilities.

Dr. Brüning said Germany would get 30 billion marks subject to the various discounts and reductions and the sums already paid. A daily explanation by the French delegation of the written proposals to the Germans indicated that after the reductions the German would pay about 30,000,000,000 marks.

"The German financial proposals it was learned were made subject to two conditions. First that the plebiscite in Upper Silesia should result in favor of Germany, second that Germany should have restored to her free commercial privileges throughout the world."

Premier Briand said that the proposals were so drawn that they amounted to an offer that if the Allies would advance Germany money on favorable terms then Germany would pay them. The Germans would annually figure that if the capital sum of 30,000,000,000 marks was taken now it would amount to 500,000,000,000 in 42 years at five per cent. The difficulty, it is pointed out in Allied quarters, is for Germany to obtain the 30,000,000,000 without the Allies doing it largely for them which the Allies regard as wholly unacceptable.

IN TRAIN CRASH**

Special to The Courier

MOUNT PLEASANT, March 1.—Among the passengers on the two coaches of a Michigan Central passenger train wrecked by a New York Central flyer on a crossing at Porter, Sunday night was Milton S. Carr, of Benton Harbor, Mich. According to this place to attend the funeral of his mother Mrs. Eliza Carr who died Sunday morning following an operation. He was not hurt though nearly 40 others in the cars were killed and many injured.

Due to the necessity of getting here for the funeral, held today Mr. Carr left the scene of the catastrophe soon afterward and walked nine miles to get another train.

The funeral of Mrs. Carr was held this afternoon, with services at the United Brethren church, conducted by Rev. T. C. Harper of Latrobe assisted by the pastor, Rev. C. W. Hendrickson.

Removing Trees.

Wilbur Madison is having the shade trees removed today from in front of the Zimmerman property in East Fairview avenue, which he purchased the trees having grown to such an extent that they are a menace to the owners. On opening one of the trees he found that the roots of one of the trees had grown into it. The trees were planted a number of years ago by the late John Zimmerman.

Edward Bailey Home.

Edward Bailey of the West Side returned home Sunday from St. Joseph's hospital Pittsburgh where he underwent an operation several weeks ago. He was accompanied by his daughter, Mrs. Marie, a student nurse at the hospital.

**FORMER WIFE OF

FRIEND IN HER HOME**Herbert C. S. Ziegler, Chicago, The
Company Head, Victim of Mrs.
Imbelle C. Orthwein.

By Associated Press

CHICAGO, March 1.—Herbert C. S. Ziegler, manager of a Chicago company, French office here was shot and killed today by Mrs. Imbelle C. Orthwein, formerly the wife of the wealthy St. Louis oil man in her apartment in an exclusive North Shore residential quarter. They are said to have been friends since Mrs. Orthwein was divorced from her husband six years ago.

Police said Mrs. Orthwein told them a quarrel started last night when the two met at an amusement garden each in the company of others. Several hours later, she told the police Ziegler appeared at her apartment and demanded admission. She refused and he forced open the door. When his actions became threatening she said she ran to her bedroom, obtained a revolver, Ziegler had given her for protection and shot him twice through the chest.

Mrs. Orthwein was being pending an investigation of her story.

**L. W. Brown Leaving
Wright-Metzler Co.**

L. W. Brown, manager of the car and telephone departments of the Wright-Metzler company, has resigned and will leave the local concern in about two weeks to go to Johnston where he will be connected with the Penn Traffic company. In his new position Mr. Brown will be manager of the floor covering department. Mr. Brown's resignation from the Wright-Metzler company severs a nine-year connection with that concern. He came here from Morgantown in 1912 to become manager of the carpet department which place he has since held. The resignation becomes effective on March 15 and on March 21 he will go to the Flood City. His successor has not been named.

For the present Mr. Brown's family will reside at Poplar Grove, his present residence but he expects to move to Johnston in the early spring.

R. A. Neville of Dawson, Ark., took a thrilling experience on Sunday, February 27, when a huge sea plane in which he was making a flight from Keyport, N. J. to Miami, Fla., was forced to land in the bay near Keyport after a heavy storm and a huge wave which struck the plane over the top wing. The plane was buffeted until it was completely out of control and it took a long time to get it back on its feet. The record for a flight of this kind was 73 miles.

Mr. Neville, a 1911 graduate of the University of Arkansas, is a business man and is making the trip to Miami for a business purpose. He is accompanied by three other passengers and the plane is carrying a large amount of cargo.

The flight was made in a huge sea plane which was built by the Raytheon company. It is the largest sea plane ever built and it is capable of carrying a large amount of cargo and passengers.

By Associated Press

HARRISBURG, March 1.—An hour before a statement was issued setting forth shortages in his accounts as an employe of the state treasury department, a Harrisburg State Police officer shot himself in the head today and is now in the Harrisburg hospital with a bare chance of recovery.

Going to the Acadia Club hall in camp Hill, a suburb of Harrisburg where he resided he called up his physician told him to report to the hall where he soon would be needed and then shot himself.

When the doctor arrived he found Stodde unconscious in a pool of blood and rushed him by automobile to the hospital. Stodde had carefully prepared for his death carrying in his inside pocket his life insurance policy, which is turned over to his daughter during a moment of consciousness at the hospital.

Forensic Commissioner Clifford Pinchot issued a malum in se statement to the effect that Stodde had been found short in his accounts to the amount of \$2,035.41 but that he is bonded to the amount of \$50,000 and the state will lose nothing.

Mr. Pinchot in his formal statement said that he received information from Mr. L. V. Attkin who recently resigned as a bookkeeper of the department that she had reason to believe Mr. Stodde's accounts were not correct. He said that the investigation was begun and subsequently Mr. Stodde confessed and the matter was to have been laid before a commission at a meeting today. The commission is in the hands of the state for the sake of the family to appear before the commission and do what you can to clear things up.

Stodde had been regarded as a faithful employe and had been repeatedly promoted by Mr. Pinchot. It was not until after his advances in a salary began that his shortcomings were apparent.

Frequently our distributors are asked the question "What causes the creamy accumulation on top of Whiskey?" This is a very distinctive quality and one of which we are very proud.

It can best be explained by comparison with a bottle of high grade milk. The creamy accumulation on the top of a bottle of Whiskey has about the same significance that the accumulation of cream has on a bottle of milk.

Elderly People Need This In Medicine Chest

To relieve chronic constipation, always
keep a bottle of Dr. Caldwell's
Syrup Pepsin handy.

NEARLY all people as they advance in age suffer from chronic constipation. Many, however, are indifferent to the laxative they use, on the theory that "they are all alike." That is a great mistake.

Dr. Caldwell's Syrup Pepsin, for example, is a mild, gentle liquid laxative, and it does not lose its effect with repeated use. It so trains the bowel muscles that in time medicines of all kinds can be dispensed with.

A sixty-cent bottle of Dr. Caldwell's Syrup Pepsin will last many months. The prescription was written thirty years ago by Dr. W. B. Caldwell, a well-known family doctor, who is himself now in his 82nd year and can appreciate what chronic constipation must mean to elderly people; how it brings on headaches, colds, loss of appetite and sleep, heaviness and a general dull feeling.

Every home that has an elderly man or woman should be provided with a bottle of Dr. Caldwell's Syrup Pepsin. Eight million bottles were bought at drug stores last year. It is a truly wonderful constipation remedy.

TUESDAY EVENING, MAR. 1, 1921.

SIMPLICITY OF OUR

INAUGURATIONS.

The ceremony which Mr. Harding will become president on Friday may be somewhat more so than in the past, but it is not so complicated as the inauguration of a president in the history of our country has the induction of a president into office been the occasion of such pomp as would indicate that the incumbent was being elevated to a position which sets him apart from above the people over whom he rules. In this respect the customs prevailing in other republics of the world show that the simple inauguration of the president and the inauguration of their chief magistrate.

Thus in San Marino the small republic the incoming ruler dons a medieval costume and marches through the streets of the capital preceded by gloriously uniformed heralds and escorted to attend a preliminary church service. His predecessor occupies a canopy throne at the church until the final moment when his successor is formally installed. The retiring official then yields up his throne and the incoming takes the throne seat and dons a headpiece indicative of his office.

In Chile the president taken his oath of office before a joint session of the Congress then attends a special church service at which he visits the retiring president.

The president of Mexico takes his oath of office at midnight in the House of Representatives following which he is embraced by the outgoing president.

Over in Poland the president elect takes his oath of office in the presence of a large assembly of the people. He is crowned before the most noble prince.

When the president of Brazil assumes office he wears a broad light blue sash and a large medal as the insignia of his office.

In France the president receives the oath of office in the executive mansion following which his predecessor is sworn in. The inauguration ceremony begins with Jackson's inauguration in the presence of the citizens followed by the ceremony of the inauguration of the president of the United States.

We may very properly take pride in the fact that the United States inauguration ceremony is one of the simplest and most dignified of any nation.

It is a simple ceremony of the inauguration of our presidents is one of the simplest and most dignified of any nation. It is a simple ceremony of the inauguration of our presidents is one of the simplest and most dignified of any nation. It is a simple ceremony of the inauguration of our presidents is one of the simplest and most dignified of any nation.

In the appointment of teams to conduct the annual annual of the church members had an interesting sign of the approach of spring.

With February receipts exceeding \$1,500 the major office cannot complain of delay in the arrival of the prospects.

The Perry township farmers who are selling their wool 140 cents a pound with \$1.00 a year ago have reason to know that readjustment is working at least to the extent of reducing their profits.

March enters very lamb-like, but we must not forget that Brei Groundhog has two weeks more to serve as weather dictator.

The Supreme Court having pulled the "teeth" of the Federal court under which protesters had been prosecuted it will now be surprising if Congress does not enact a law to prevent a similar case from occurring in the future.

No matter how the weather may be it is not the weather that is the cause of the "dreadful" weather in Washington.

Through some mischance the news was permitted to get out from Ireland

that only six citizens had been officially executed by the military tribunals of unofficial judges in a usual fashion.

No safety system is entirely safe so long as the operation depends upon the cooperation of a man who is willing to take a risk, as witnesses that indicate railroad disaster.

Attorney General Palmer's prescription permitting whisky to be used in patent medicines may be too late to restore his popularity as a medical politician.

Extra Special!

8% Discount allowed on all orders for Suits from March 1 to 5, 1921. Place your order today and learn the real pleasure and economy in our service for you. I may be wrong—

But I think the piece of Spring suiting I am holding for you will please you better than anything you have seen this season. If I've guessed wrong, there are so many carefully selected suitings here for you to pick from that there will be no chance of your missing the particular weave and pattern you may have in mind.

It will be a good plan to place your order early to insure its being ready when the first warm weather comes along. Every careful dresser in Conneltsville probably knows that we do strictly honest tailoring. We cut, trim and make every garment in our own shop. An artist with heart in his work could not guard his painting more jealously than we will watch every detail of the suit we will be proud to see you wear when finished.

Call in tomorrow evening and tell us what you think of the collection.

"Y" GAMES WON BY WONDER AND SHARK QUINTETS

The Sharks maintained a safe lead in the boys' league at the Westmoreland & Ohio Y. M. C. A. yesterday afternoon when they defeated the Raiders, 21-10, while the Terrers, holding second place, were trounced by the Wonders, 20-12.

The "Y" race has developed much more interest with several defeats now administered to the Shark aggregation and the Wonders and Terrers climbing steadily.

CASEY CLUB PLAYS MOODY PLEASANT TONIGHT

The Mount Pleasant Superiors will be seen in action at the armory on Thursday night against the Casey club. The Westmoreland county team has already lost one game this season with Casey.

TURTLE CREEK AT HIGH SCHOOL FRIDAY NIGHT

Union High of Turtle Creek, a member of the W. P. I. A. league, will be at the high school Friday evening. Reports from the Pittsburgh district are that Turtle Creek has improved wonderfully since the Cokers played there and will give Connelville a hard run for the victory.

Saturday night will see Norwile High in action here. Norwile won from the Cokers on the home floor but Coach Rupp is confident his outfit will be able to handle the visiting dribblers here.

Good Demand For Seats For Friday Night Boxing Show

Not since the present boxing season opened here has such a demand for seat reservations, says Duke Barry, as at present. This is taken as evidence that the 10-round feature bout between Charley Dunn and "Slashing" Johnny Ward Friday night at the Slavish hall has found favor with the patrons of the Fayette Athletic club.

So insistent was the request for advance seats that the management of the club rushed this order through and had the choice seats on sale yesterday afternoon at the club's agency, the West Penn Billiard parlors and at Tony Remond's parlors.

The coming battle between Ward and Dunn will be one of the "highlight" battles ever staged on the West Side. Both are out to win via the kayo route.

Although Johnny Follock, the local champion, has been signed for the semi-final the matchmaker of the club

HIGH SCHOOL GIRLS WIN GAME FROM DONORA

The high school girls added another victory to their long string Saturday afternoon when Donora High was defeated, 22-16. The Coker basketball team traveled over to Donora and trailed along behind until the last quarter was reached and then they took a brace and showed the home outfit just what

they really could do. Donora, with a three point lead at the close of the third period, did not score a single point in the last 10 minutes of play. At the end of the first half the score stood 11-8 for Donora.
